Creative arts and crafts

Is your life lacking a little sparkle and creativity lately? We can't think of a better way to bring some much needed colour and texture into your days than with one of our daytime or evening workshops.

CRAFT & DESIGN

Chainmail Jewellery for Beginners

Create your own beautiful, beaded chainmail. You will learn how to open, close, and weave jump rings and add beads to create stunning modern jewellery or designs from this ancient art form.

Kerry Neale **\$150**
1 session *CIT Bruce*
Sat 29 Oct (10am-3pm)

Chainmail Jewellery for Continuing Students

Continuing from the chainmail for beginners course, students will learn new weaving techniques for jump rings and how to make more intricate designs. You will need prior experience before enrolling in this class.

Kerry Neale **\$150**
1 session *CIT Bruce*
Sat 26 Nov (10am-3pm)

Cyanotype Dying Workshop

During the two-day workshop you will use light sensitive solutions, natural material and objects to dye fabrics with the help of the sun.

Pinal Minar **\$200**
2 sessions *CIT Bruce*
Sat 3-10 Dec (10am-12pm)

Kumihimo for Beginners

In this one-day workshop, explore this ancient form of braiding cords, and discover how to add beads to the process to create a beautiful contemporary bracelet or necklace.

Kerry Neale **\$150**
1 session *CIT Bruce*
Sat 5 Nov (10am-3pm)

Kumihimo for Continuing Students

Continue exploring this ancient form of braiding cords, to create a beautiful contemporary bracelet or necklace.

Kerry Neale **\$150**
1 session *CIT Bruce*
Sat 3 Dec (10am-3pm)

Make Your Own Macrame Plant Hanger

This relaxing half day workshop will teach you the basic knots used in macrame and then use the techniques to make a lovely plant hanger to take home. Why not pair the course with Make Your Own Terrarium and make a day of it?

Annette Boyd **\$90**
1 session *CIT Bruce*
Sat 12 Nov (9.30am-12.30pm)

Kokedama

A beautiful addition to any room and a wonderful gift, Japanese moss balls are the latest word in living decor and are easy to care for. Learn how to make your own Kokedama in this hands-on workshop.

Annette Boyd **\$90**
1 session *CIT Bruce*
Sat 12 Nov (1pm-4pm)

Soap Making

Is your skin tired of harsh commercial soaps? Learn to make and decorate your own cold process soap using natural and easy to find ingredients.

Ilaria Catizone **\$120**
1 session *CIT Bruce*
Sat 29 Oct (10am-1pm)

WORKSHOPS

WITH Lex Sorrentino

Lex Sorrentino is a mixed media sculptor who creates vibrant polymer clay beads, wall hangings, PMC silver jewellery along with fantastical and whimsical sculptures. Join Lex on a creative journey where the only limit is your imagination.

Bush Chooks

In this workshop you'll work with a two-part Apoxie sculpt to create two fun bush chooks. After being painted and sealed, they'll find a happy home in your garden.

Lex Sorrentino **\$240**

1 session *Oxley Studio*
Sun 9 Oct (10am-5pm)

Nomad Garden Sculpture

Create a vibrant outdoor sculpture, building on an armature with clay and weather proofed fabrics.

Lex Sorrentino **\$190**

1 session *Oxley Studio*
Sun 16 Oct (10am-5pm)

Freeform PMC Silver

Learn how to mould, dry and polish silver clay to create a pendant or earrings of your own design.

Lex Sorrentino **\$180**

1 session *Oxley Studio*
Sun 13 Nov (12.30pm-4.30pm)

Polymer Clay Beads or Vessels Workshop

Create your own beautiful polymer clay bead jewellery in this one-day workshop. You will learn how to mix and roll versatile polymer clays to create vibrant beads which can then be turned in a necklace or earrings.

Lex Sorrentino **\$190**

1 session *Oxley Studio*
Sun 27 Nov (10am-5pm)

Cheetah Sculpture

Create an antique-style cheetah sculpture in this 1.5 day workshop. You'll learn how to make an armature, sculpt your horse with air-dry clay then paint and add patina to age your work.

Lex Sorrentino **\$285**

2 sessions *Oxley Studio*
Sat 10 Dec (2pm-5pm)
Sun 11 Dec (2pm-5pm)

PAINTING & DRAWING

Painting and Drawing: An Introduction

This course will take students through guided exercises exploring the basic principles of painting and drawing – Line, Shape, Tone, Colour and Design. Practical exercises include tonal painting, colour mixing, colour painting, tonal drawing, line drawing, perspective, and painting with oils.

Dennis Mortimer **\$390**

8 sessions *CIT Bruce*

Wed 12 Oct-30 Nov (2pm-4.30pm)

Wed 12 Oct-30 Nov (6pm-8.30pm)

Painting and Drawing with Julie-Anne Ure

Learn how to create better visual images through a series of enjoyable and challenging projects. You'll develop an understanding of composition, tone, colour, while using a variety of applications.

Julie-Anne Ure **\$320**

7 sessions *CIT Bruce*

Thu 13 Oct-24 Nov (9.30am-12.00pm)

Paint Your Own Morandi

Following Italian Artist Morandi is great way to approach composition, basic drawing skills and colour theory via the representation of rather simple shapes and plain colours. This exercise won't overwhelm the beginner, it will enable them to focus on achieving colour shades and observing how neighbouring colours influence each other. Suitable for all levels.

Stefanie Schulte **\$350**

5 sessions *CIT Bruce*

Mon 17 Oct-14 Nov (9.30am-12.30pm)

NEEDLECRAFT

Canberra Bird Embroidery

Celebrate Canberra's beautiful native birds by painting with thread using embroidery techniques. This 3-session course will go through all the processes; Starting with a sketch of your favourite Canberra native bird, you will transform this into colour blocks, then learn embroidery techniques to create an intricate and stunning piece.

Pinal Maniar **\$200**

3 sessions *CIT Bruce*

Wed 2-16 Nov (6pm-8pm)

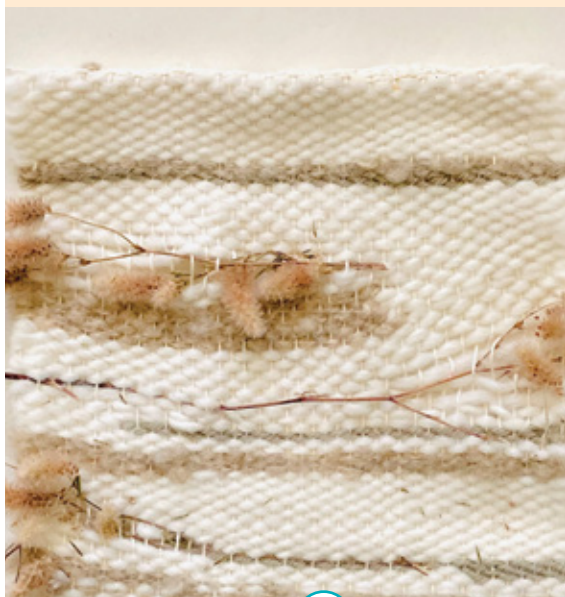

Woodland Weaving

Over 3 sessions learn how to build your own loom, and weave. During the class you will learn different techniques and how to incorporate beautiful found objects into your artworks, creating lasting memories of not only the class, but of your adventures collecting objects in nature.

Pinal Maniar **\$200**

3 sessions *CIT Bruce*

Wed 12-26 Oct (6pm-8pm)

SEWING

Sewing – Beginners

For complete beginners, this course will introduce you to basic sewing techniques and give you the skills and confidence to create your very own piece.

Kirstie Russell

\$290

5 sessions

CIT Bruce

Catherine Thurstan

\$290 sessions

5 Sessions

CIT Bruce

Thurs 3 Nov-1 Dec (6pm-8.30pm)

Sewing – Refashion and Repurpose

Don't dump those outdated or unflattering clothes into landfill. This class will show you how you can convert your unworn or vintage clothes into completely new outfits. Good basic sewing skills essential.

Catherine Thurstan

\$300

5 sessions

CIT Bruce

Mon 31 Oct-28 Nov (6pm-8.30pm)

CREATIVE WRITING

Writing About Place

Learn how to create a strong sense of place in your writing. Playing with a range of literary techniques, you'll learn how to hone description and detail, bringing scenes into sharper focus.

Mary Lynn Mather

\$315

6 sessions

CIT Bruce

Tue 11 Oct-15 Nov (6pm-8pm)

Expand ~ your ~ horizons

Explore the history, culture and literature of the world around us.

Close Encounters with 12 NGA Sculptures

We gain a powerful impression of any work of art on our first fresh glimpse. But the longer we spend with it, the more it unveils itself, and we begin to realise what we can make of it. This course gives us the chance to spend 30 minutes examining and debating each of a dozen major and intriguing sculptures in the National Gallery of Australia.

Roy Forward

6 sessions

Mon 10 Oct-14 Nov (2pm-4pm)

\$230

CIT Bruce

Become a Fallacy Detective

While we are probably all quick to scorn fallacious arguments when used by others, we may not realise how often we ourselves rely on them, even to the point of living by them. This course unravels what is fallacious and what is not, gives the fallacies names, and trains us in recognising and avoiding them. "You can only find truth with logic if you have already found truth without it" (G.K. Chesterton).

Roy Forward

6 sessions

Thu 13 Oct-17 Nov (2pm-4pm)

\$230

CIT Bruce
